Love,
I get so lost sometimes.
Days pass,
and this emptiness fills my heart.

When I want to run away,
I drive off in my car.
But whichever way I choose,
I come back to the place you are.

And all my instincts, they return.
And the grand facade, so soon will burn.
Without a noise, without my pride.
I reach out from the inside.

In your eyes, the light, the heat.
I am complete.
I see the doorways, to a thousand churches.
The resolution, of all the fruitless searches.
Whoa, I see the light and the heat.
I want to be that complete.
I wanna touch the light,
the heat I see in your eyes.

Love,
I don't like to see so much pain.
So much wasted,
and each moment is slipping away.

And I get so tired,
of working so hard for my survival.
But I look to these times with you,
to keep me awake and alive.

And all my instincts, they return.
And the grand facade, so soon will burn.
Without a noise, without my pride.
I reach out from the inside.

In your eyes, the light and the heat,
I am complete. (In your eyes)

I see the doorways, to a thousand churches. (In your
eyes)
The resolution, of all my fruitless searches.
Whoa, I see the light I see the heat
Yes I want to be that complete
I wanna touch the light, the heat I see in your eyes
Ooh, In your eyes
Ooh, In your eyes
