Just do your thing □ if it makes you feel better □ go on  
and sing □ if it makes you feel better □ shufflin' feet □  
snuck up on me now □ this young man's lost his way □  
he don't believe □ all the  
F they told him □ he's caught up in the fray □ he said  
I've got this great big □ bag full of dreams □ and I don't  
know what to do □ I said a wise man gave me □ the key  
to life □ and now I give i  
You □ and I said □ just do your thing □ if it makes you  
feel better □ you're running that race □ a little bit faster  
now □ towards your finish lines □ such a disgrace □ you  
missed all the beauti  
You can't buy back the time □ so stop and love □ and  
dance and live □ and laugh until you cry □ don't wake  
up to realize that □ your time has passed you by □ just  
do your thing □ if it makes yo  
L better □ go on and sing □ if it makes you feel better □  
you can cling to your fears if you want to □ to your heart  
and your soul □ you must be true □ chorus
