I got to have all your love
Night and day
Not just a little part
But all of your heart, baby

Ninety-nine and a half
Just won't do
Oh no, no, no
Won't get it, baby

Don't be led in the wrong direction
To start this thing off right
Man need a little love and affection
Yes, he do now

Ninety-nine and a half
Just won't do
No, won't get it, baby

Ninety-nine and a half
Just won't do
Oh no, no, no

We got to bring it all
We got to bring it all down
Start getting it right

We got to stop this messing around
Keep this thing up tight
Yes, we do now

Ninety-nine and a half
Just won't do
Oh, won't get it, baby

Ninety-nine and a half
Just won't do, oh
Ninety-nine and a half
Just won't do, yeah
No, no, won't do

Yeah, got to have a hundred
Got to have a hundred
Oh, I got to have a hundred

Ninety-nine and a half
Ninety-nine and a half
Just won't do
