I tell you my story on VH1  
And all of my personal hell  
And how my dad beat me and how much he drank  
Do you think it'll help my records sell

Cause I'm the radio star with the cars and the clothes  
The fancy guitars and the spoon in my nose  
You know in my world now anything goes  
You all want to be me, and I'll be gone in a week

Hang out with Britney and Fred Durst  
Arrive in a limo, I'll leave in a hearse  
And I can't decide now which part is worse  
Losing my life to the game, or losing the fortune and  
fame

Cause I'm the radio star with the cars and the clothes  
The fancy guitars and the spoon in my nose  
You know in my world now anything goes  
You all want to be me, and I'll be gone in a week

You put me on TV with all the cool stars  
Like Letterman, Conan and Jay  
Cause we're all experts at the art of PR  
And nobody knows that I'm gay

I'm the radio star with the cars and the clothes  
The fancy guitars and the spoon in my nose  
You know in my world now anything goes  
You all want to be me, and I'll be gone in a week

I'm the radio star  
I'm the radio star  
I'm the radio star  
I'm the radio star
