See love struck Romeo hit the street on a serenade  
And he?s laying everybody low with a love song that he  
made  
He finds a streetlight, steps out of the shade  
Says something like, "You and me, baby, how about  
it??"

Juliet?s gonna say, "Hey it's, Romeo  
You nearly gimme a heart attack"  
He's underneath my window, she's singing  
"Hey la my boyfriend's back"  
You shouldn't come around here singing up to people  
like that  
Well, anyway what you gonna do about it?

Juliet, when we made love you used to cry  
You said you love me like the stars above  
You?d love me till you died  
Well, there's a place for us and you know the movie  
song  
When you gonna realize it was just that the time was  
wrong?

We both came up on different streets  
They both were streets of shame  
Both dirty both mean and the dream was just the same  
And I dreamed your dream for you and now your  
dream is real  
How can you look at me as if I was just another one of  
your deals?

Oh no, you can fall for chains of silver  
You can fall for chains of gold  
You can fall for pretty strangers and the promises they  
hold  
You promised me everything you know  
You promised me thick and thin  
Now you say, "Oh Romeo, yeah, I used to have a scene  
with him?"

Oh Juliet, when we made love you used to cry  
Used to swear like the stars above

Well, you'd love me till the day that we died  
Well, there's a place for us, you know the movie song  
When you gonna realize it was just that the time was  
wrong?

I can't do the talk like they talk on TV  
And I can't do a love song like the way it's meant to be  
I can't do everything but I'd do anything for you  
Juliet, all I can do is be in love with you

And all I do is miss you and the way we used to be  
All I do is keep the beat in this rock 'n roll company  
All I do is kiss you through the bars of a rhyme  
Juliet, I'd do the stars with you any time

Oh Juliet, when we made love you used to cry  
Used to swear like the stars above  
Well, you'd love me till the day that we died  
There's a place for us, you know the movie song  
When you gonna realize it was just that the time was  
wrong?

See a love struck Romeo hit the street on a serenade  
Laying everybody low with a love song that he made  
Finds a streetlight steps out of the shade  
Says something like, "You and me, baby, how about it?  
You and me, baby, now how about it?  
You and me, baby, now how about it??"

Well, Juliet, the dice were loaded from the start  
And I bet and you exploded through my heart  
Well, there's a place for us, you know the movie song  
When you gonna realize it was just that the time was  
wrong?

Yeah, now Juliet, the time was wrong  
Oh, I know the time was wrong, yeah  
The time was wrong, yeah  
And I know the time was wrong, yeah
