Hey, hey, hey
I'm sending out an S.O.S.(sendin', sendin')
Hey, hey, hey
I'm sending out an S.O.S.(sendin', sendin')

I'm sending out an S.O.S.
Because I'm in so much distress
So if you see my baby
If you see my baby
Stop her on sight

Hey, hey, hey
I'm sending out an S.O.S.(from Maine to Mexico)
Hey, hey, hey
I'm sending out an S.O.S.(yeahh)

I'm gonna tell the F.B.I.
I'm might even to get myself a secret spy
Because I lost my baby
So if you see my baby
Stop her on sight

I lost, I lost my babe, I lost my baaayyyyaybee

You can tell her by the way she walks
You can tell her by the way she talks
You can tell her by the way she smiles
I guarantee you it will drive you wild
So if you see my baby
If anybody sees my baby
Stop her on sight

Hey, hey, hey
I'm sending out an S.O.S. ('cause I miss my baby so)
Hey, hey, hey
I'm sending out an S.O.S
(I don't know, I don't know where she's gone, but I want
you, I want yooouu, to stop my baby...stop her on sight)
