One little gutter town 3:00 in the morning  
I whispered these words I believed  
Said leave me alone girl, I'm so tied, down and broken  
It's too late it's too late to save me, yeah

Ain't no wish in this world, slight of this moment  
No dream I could dream that comes near, yeah  
No Heaven or hope, shines quite like this one  
No wish in this world except you right here

It's cold and it's dark and I'm sure it makes you crazy  
Runnin' to grass so green  
A dangerous road but it's not going to change me  
It's paved with 10 million broken dreams, beautiful  
dreams

Ain't no wish in this world, slight of this moment  
No dream I could dream that comes near, yeah  
No Heaven or hope, shines quite like this one  
No wish in this world except you right here

Sometimes I feel I'm at the end of the ride  
Like a craving distant water the well keeps running dry,  
oh  
Yeah yeah yeah yeah, yeah yeah yeah yeah, yeah yeah  
yeah yeah  
Yeah yeah yeah yeah, yeah yeah yeah yeah, yeah yeah  
yeah yeah

Ain't no wish in this world, slight of this moment  
No dream I could dream that comes near, yeah  
No Heaven or hope, shines quite like this one  
No wish in this world except you right here

Yeah yeah yeah yeah, yeah yeah yeah yeah, yeah yeah  
yeah yeah  
Yeah yeah yeah yeah, yeah yeah yeah yeah, yeah yeah  
yeah yeah
