C'mon feet, start movin'  
Got to get me there, owww

Hey hey, uh huh, huh, huh, huh, oh  
Uh huh, huh, huh, huh, huh, yeah, oh

Twenty-five miles from home, girl  
My feet are hurtin' mighty bad  
Now I've been walkin' for three days  
And two lonely nights  
You know that I'm mighty mad, huh

But I got a woman waitin' for me  
That's gonna make this trip worthwhile  
You see she's got the kind  
Of lovin' and a kissin'  
A make a man go stone wild

So I got to keep on walkin', mmm hmm, huh  
I got to walk on, oh ho ho  
I-I-I-I'm so tired  
But I just can't lose my stride

I got fifteen miles to go now  
And I can hear my baby callin' my name  
It's as if as though I'm standin' at her front door  
I can hear her that doggone plain

Now I'll be so glad to see my baby  
And hold her in my arms one more time, huh  
Now when I kiss her lips  
I'll turn a back over flip  
And I'll forget about these feet of mine

I got to keep on walkin', hey  
I got to walk on, let me tell ya y'all  
I-I-I-I'm so tired, huh  
But I just can't lose my stride

Owww

C'mon feet don't fail me now

I got ten more miles to go  
I got nine, eight, seven, six, six, six  
I got five more miles to go now  
Over the hill just around the bend, huh

Although my feet are tired  
I can't lose my stride  
I got to get to my baby again  
I got to keep on walkin', mmm hmm, hey  
I got to walk on

Wait, let me tell ya y'all

I-I-I-I'm so tired, huh  
But I just can't lose my stride

Walkin' yeah, huh  
I got to walk on  
Let me tell ya y'all  
I see my baby just across the fence...
