So many ways, so many truths  
So much to learn, so much to do  
Night by night, day by day  
There's a place I know, I'm gonna stray

I can do it again, I can do anything, honey  
Do, do, do it again  
'Cause you send me to summertime  
From a winter's view

So many thoughts, so many goals  
So many dreams, so many roads  
Night by night, day by day  
There's a place I know, I'm gonna stray

I can do it again, I can do anything, honey  
Yeah, I can do it again, I can do anything, honey  
Do, do, do it again  
'Cause you send me to summertime  
From a summertime, from a winter's view

I can do it again, if I can do anything, honey  
You send me again to summertime, honey  
You do it again, do it again  
And again and again and again

D-do it again, d-d-do it again, d-d-do it again  
D-do it again, d-d-do it again, d-d-do it again  
D-d-do it again, d-d-do it again, d-d-do it again  
D-d-do it again
