I can see it in the way you walk
So fine, so fine
I can see it in the way you smile
Divine, divine

And it's making me humble
It's making me shy
And she's making me humble
She's making me cry

Somehow, somewhere
I'm looking forward
I know that I'm going to be fine

I can see it in the way you walk
So fine, so fine
I can see it in the way you smile
Divine, divine

And it's making me humble
It's making me shy
And she's making me humble
She's making me cry

I can see it in the way you walk
So fine, so fine
I can see it in the way you smile
Divine, divine

And it's making me humble
It's making me shy
And she's making me humble
She's making me cry

And she's making me humble
She's making me cry
And she's making me humble
She's making me cry

Somewhere I'm looking forward
I know that I'm going to be fine
Somehow, somewhere, I'm looking forward

I know that I'm going to be fine
