Let me find out who I am  
Let me live and let me dream  
Near the shoreline, near the sea  
Coast to coast, that's where I'll be

A simple life, a simple choice  
That dawns on me, reality  
A simple life, a simple choice  
That makes the world  
A better place for us to share

Let me find out who I am  
Let me live, oh, just let me be  
Oh, I wanna steer this love  
And crash into the bitter end  
Just let me get away with it  
Oh, more or less it's all worked out

A simple life, a simple choice  
That dawns on me, reality  
A simple life, a simple choice  
That makes the world  
A better place for us to share

Oh, a simple life, a simple choice  
That dawns on me, reality  
A simple life, a simple choice  
That makes the world  
A better place for us to share
