If I lay down the past
And I let myself go
Put my heart in your hands
And forget what I know

Can I trust you, baby
What goes on in your mind ?
I feel myself falling
It's been such a long time

It's a miracle, baby
To find love that's true
Will you be there for me
If I give myself to you
If I give myself to you

I've been hurt before
And I've tried to forget
But the pain lived inside
'Till you and I met

If I follow you, baby
And I love you blind
When you're sure I've fallen
Will you still be kind ?

It's a miracle, baby
To find love that's true
Will you be there for me
If I give myself to you
If I give myself to you

If I follow you, baby
And I love you blind
When you're sure I've fallen
Will you still be kind ?

It's a miracle, baby
To find love that's true
Will you be there for me
If I give myself to you
If I give myself to you
