"Impossible"

Your love's impossible.
You need too much to just survive.
Get enough and you're gonna fly.
We're in the rhythm.
The groove's forgiven.
There's no mistake in.
My optimism.
There's nothing hidden.
Nothing's forbidden.
The beat is driven.
We got the feeling.
We're operating.
Don't need no healing.
At least I'm breathing.
I'm estimating.
I'll up the rating.
Loves for the taking.
Baby won't you slide with me.
Stay close by with me.
Baby you can fly with me.
It could be so good.
If only you can see that.
Your love's impossible.
You need too much to just survive.
Get enough and you're gonna fly.
(Impossible, illogical, illogical, impossible)
Your love's illogical.
With just one touch you run and hide.
Take your chances and take a ride.
(Impossible, illogical, illogical, impossible)
You got me vibing.
So high we're riding.
Don't stop this feeling.
The Sun is shining.
It's no surprising.
My sign is rising.
Just keep on moving.
Baby won't you slide with me.
Stay close by with me.
Baby you can fly with me.
It could be so good.
If only you can see that.

Your love's impossible.
You need too much to just survive...
Impossible, illogical to love.
Impossible, illogical to love.
Impossible, impossible (illogical) to love.
Impossible, illogical to love.
Your love's impossible.
You need too much to just survive...
