The mouse is in the house  
MEEE-OWWW  
The mouse is in the house  
MEEE-OWWW  
The mouse is in the house

Baby, why you want to do me wrong  
Don't you know I got you all done  
To my life I want to live long  
Lately you haven't been acting like a lady  
Know you want to have my baby  
You must be goddamn crazy

Kiss me then I'll kiss you back  
Love me then I'll love you back  
No time, no time  
No time, no time  
No time, no time  
For fun and games

Shorty, you pass me like you don't know me  
Must of forgot that you owe me  
Know you want to chill but you owe me  
Come face me I'm the type of nigger that's shady  
Don't push it dude not lately  
Don't telephone or page me

E many more many many more  
many many more many many more -4X

Lately you know bitch it's not a my baby  
You must be goddamn crazy  
What took you so long

Shorty why you don't want to pay me  
Pass me like you don't hear me  
You're acting so damn crazy

Baby, you know that I'm not shady  
Don't push it all down daily  
No time to demand

Lately you don't telephone or page me  
Acting like if you don't owe me  
You know that you must pay me
