Riding on my bicycle  
got knocked down by a motorcycle  
in front of a crowd of people  
luckily, I was Jah Jah disciple

/: I lay on the ground I was so injured  
So unconscious, did not know what to do :/

Yeah, man!  
When the bike really hit me  
I see stars and peeni walli  
beddameng! - pain all over me  
Me tink me get shocked by electricity  
beddameng!

/: I lay on the ground I was so injured  
So unconscious, did not know what to do :/

Yeah, man!  
Me say at the public hospital  
Crowd gather around like it was a funeral, 'ey!  
Some say it accidental  
or the lang youth ha look 'pon a fat gal  
(2nd time: How's a tall youth ha stare 'pon a fat gal)

(repeat all)

NOTE: A "peeni-walli" is a type of blue beetle from  
Jamaica -  
a kind of firefly.  
Christopher A. Edmonds [...] used to tease some kids at  
school about how  
"when them come a town dem feel say streetlamp  
mussa peenie-wallie  
in a bottle" :-)  
(they thought a streetlamp was a firefly in a bottle, as I-  
man  
raggamuffin understand it)

Last two lines: "Some say it accidental, or the lang  
youth 'a look 'pon

a fat gal" Means something like: " He fell off his bike,  
either by accident,  
or because he was looking after a fat girl (and didn't  
look where he was  
going
