Oh, ohoho
Oh, ohoho

I am slow but I am sure
I am slow but I am sure

Mister dynamics stable it's not feeble
It's moving slow and moving sure

Can't you arrest my feel (?)
Even when I reach home
Got to be the promise land
But i am slow

I know i am sure
I'm coming home

I am calling and moving slow
But I am sure I'm coming home

Mister dynamics stable it's not feeble
It's undergo while moving slow

I'm coming home, coming home for sure.
