Terrorists in the city  
Terrorists in the city

Some of them a work in iniquity  
Some of them a work in iniquity  
Don't kill the old lady  
Or the baby where a suck pon titty  
You know that no really pretty  
Jah Jah him na go have no pity  
Me say the woman just a band her belly  
Me say the woman just a band her belly

John Brown him dead and gone  
Jah know that him history still a go on  
As him dead more John Brown born  
Police full him up a corn  
And him friend them run and gone

(Repeat Whole)
