Eek-A-Mouse does not dee-jay  
nor sing-jay  
nor say la la wo wo or yea yea  
he say ban ban diddle deh yea

I love that girl Gwen Laden  
I love that girl Karen  
me say I love that girl Jen  
and I'm in love with the three of them  
how can I really support them Laden

These girls let me borrow  
These girls let me tend  
They even make love with my best friend Ken  
I'm like a bait in the lion's den  
not even Daniel just a screw like them Laden

They used to go to Ardenne  
now live at Hughenden  
I told them meet me round the bend  
and now it's a quarter past ten Laden

(Chorus)

Den de Laden
