well i'll rise above  
once I forget  
what it was like then  
before we met  
i had no dreams  
there was no plan  
you see it's just that i was  
a most unpleasant man

and now it all  
has come to pass  
i guess i knew somehow  
it couldn't last  
and so i'm back  
where i began  
and once again i've become  
a most unpleasant man

where will i go  
if you're not there  
i'll try to find you  
everywhere

remember me  
not as i am  
but how i was  
as your truest friend  
remember me  
not as i am  
how did i ever become  
a most unpleasant man  
i'll see you later bab
