You're such a beautiful freak  
I wish there were more just like you  
You're not like all of the others

And that is why I love you  
Beautiful freak, beautiful freak  
That is why I love you  
Beautiful freak, beautiful freak

Some people think, you have a problem  
But that problem lies only with them  
Just 'cause you are not like the others

But that is why I love you  
Beautiful freak, beautiful freak  
Yeah, that is why I love you  
Beautiful freak, beautiful freak

Too good for this world  
But I hope you will stay  
And I'll be here to see that you don't fade away

You're such a beautiful freak  
I bet you are flying inside  
Dart down and then go for cover

And know that I, I love you  
Beautiful freak, beautiful freak  
You know that I, I love you  
Beautiful freak, beautiful freak  
Beautiful freak, beautiful freak  
Beautiful freak, beautiful freak
