Blinking lights on the airplane wings
Up above the trees
Blinking down a Morse code signal
'Specially for me
Ain't no rainbow in the sky
In the middle of the night
But the signal's comin' through
One day I will be alright again
Blinking lights on the highway cars
Stoppin' one by one
Get a look at the accident
Didn't see that one coming
And the doctor in the sky
Gonna bring his chopper down
Gonna bring me out alive
And set me on the ground
Once more again
Blinking lights on the airplane wings
Up above the trees
