I've got your picture
And your black book
Smells like your perfume
On the walks that we took

And I love you
And you love me
But we're apart
'cause I read
The cheater's guide
To your heart

Hink of it this way
It was never meant
To be, I guess
But know, at the end
Of the day I felt blessed

And I love you
And you love me
But we're apart
'cause I read
The cheater's guide
To your heart

Well it may be long
Till you see me again
So paint me as a good one
My friend

And I love you
And you love me
But we're apart
'cause I read
The cheater's guide
To your heart
