Going to your funeral and feeling i could scream  
everything goes away  
driving down the highway through the  
perfect sunny dream  
a perfect day for perfect pain

look at all the people with the flowers  
in their hands  
they put the flower on the box  
that's holding all the sand that was  
that was once  
that was once  
you

honolulu hurricane  
i knew that you were not insane  
living in the insane world  
smiling like it's no big deal  
scabby wounds that never heal  
the woman was only a girl

look at all the people with their heads  
down in their hands  
when everything i'm feeling makes it  
hard to understand  
that, uh,  
what i need to miss  
it's what i need to miss  
is you

going to your funeral and i'm feeling like a fool  
no one's gonna take the blame  
thinking about the days of hanging out  
behind the school  
everything goes away
