Going to your funeral now and feeling  
I could scream  
Everything goes away  
Driving down the highway through the  
perfect sunny dream  
A perfect day for perfect pain  
Look at all the people with  
the flowers in their hands  
They put the flower on the box  
that's holding all the sand that was ?  
That was once ?  
That was once you  
Honolulu hurricane I knew  
that you were not insane  
Living in the insane world  
Smiling like it's no big deal

Scabby wounds that never heal  
The woman was only a girl  
look at all the people with  
their heads down in their hands  
When everything I'm feeling  
makes it hard to understand  
that, uh  
What I need to miss ?  
It's what I need to miss ?  
Is you  
Going to your funeral and  
I'm feeling like a fool  
No one's gonna take the blame  
Thinking 'bout the days of  
hanging out behind the school  
Everything goes away
