"I Need Some Sleep"

I need some sleep.
You can't go on like this.
I try counting sheep,
But there's one I always miss.

Everyone says, "I'm getting down too low"
Everyone says, "You just gotta let it go"
You just gotta let it go
You just gotta let it go

I need some sleep
Time to put the old horse down
I'm in too deep
And the wheels keep spinning round

Everyone says, "I'm getting down too low"
Everyone says, "You just gotta let it go"
You just gotta let it go
You just gotta let it go

You just gotta let it go
You just gotta let it go
You just gotta let it go
