The smoke stack spittin' black soot into the sooty sky  
the load on the road brings a tear to the indian's eye  
the elephant wont forget what its like inside his cage  
the ring master's telecaster sings on an empty stage

ah ha, goddam right, its a beautiful day  
ah ha, goddam right, its a beautiful day ah ha

The girl with the curls and the sweet pink ribbon in her  
hair  
shes crawling out her window 'cause her daddy just  
dont care,  
come on.

ah ha, goddam right, its a beautiful day  
ah ha, goddam right, its a beautiful day ah ha

The clown with the frown drivin' down to the sidewalk  
fair  
finger on the trigger let me tell you its quite a scare

ah ha, goddam right, its a beautiful day  
ah ha, goddam right its a beautiful day ah ha  
ooo ooo

The kids with their fibs, when their fibs sounds like  
crazy sounds  
My neighbor digs the flavour still hes movin' to  
another town  
(and i dont believe youd come back)

goddam right, its a beautiful day ah ha  
goddam right, its a beautiful day ah ha

Now i dont know how you take in all the shit you see  
With posters laid out youre livin knee deep in greed  
you'll leave me  
(you'll leave me)

goddam right, its a beautiful day ah ha (x4)
