Well I've been kicked around
What do you see
Am I alright?
I'm alright

I once had a heart
I was ripped from it
Chewed up then spat out
Like a cherry pit

And if I seem a little hard
It's just that I've been kicked around
I don't know how I got this far
The way that I've been kicked around
Uh huh

Well I've been kicked around
What do you see
Am I alright?
Am I alright?

Well I've been kicked around
What do you see
Am I alright?
Am I alright?

I once had a soul
It was torn from me
I won't cry a tear
I will carry me

And if I seem a little hard
It's just that I've been kicked around
I don't know how I got this far
The way that I've been kicked around

Don't worry, I'm all right

So if I seem a little hard
It's just that I've been kicked around
I don't know how I got this far
The way that I've been kicked around

The way that I've been kicked around
The way that I've been kicked around
The way that I've been kicked around
The way that I've been kicked around
The way that I've been kicked around
The way that I've been kicked around
