In my heart there lives a little riddle
I'm always trying to find my way
Everything feels older in the morning
I'll find an answer some day

But I'm feeling kinda fuzzy
But you know I'm alright
I'm feeling kinda fuzzy
But the Sun's shining bright
Don't mess with me I'm up for the fight

It's a tangled cobweb that I weave
The dusty room of an aching mind
Anything that keeps the sun rising
I got to see if I can find

But I'm feeling kinda fuzzy
But you know I'm alright
I'm feeling kinda fuzzy
But the future looks bright
Don't mess with me I'm up for the fight

Riding through like an outlaw drifter
Never knowing which way to turn
In the moment I think I've got it
It's gone

Pull the curtains open wide
Got to know that I'm about it
Good God It's another day
Don't ever doubt it

You know I'm alright
I'm feeling kinda fuzzy

In my heart there lives a little riddle
I'm always trying to find my way

I don't know what it's going to take man
I only need a little break men
I know that you know that I'm a good man

But I'm feeling kinda fuzzy
But you know I'm alright
I'm feeling kinda fuzzy
But the Sun's shining bright
Don't mess with me I'm up for the fight

Yeah...
