### "Let's Ruin Julie's Birthday"

Let's ruin Julie's birthday  
I didn't get my invite  
Could be lost in the mail or something  
I'm gonna be there tonight

I never cared about her anyway  
And I guess she never cared  
About me

And what do you mean that I can't go?  
Where does it say that I'm a fool?  
Doesn't she know that I'm an exception  
To the rule?

Let's ruin Julie's birthday  
I can see right through her act  
She said something about me  
And all the cool kids made a pact

I never cared about her anyway  
And I guess she never cared  
About me

And what do you mean that I can't go?  
Where does it say that I'm a fool?  
Doesn't she know that I'm an exception  
To the rule?

Let's ruin Julie's birthday  
What does she have to celebrate?  
It's not a party if I'm not there  
Just her stupid friends and a birthday cake

I never cared about her anyway  
And I guess she never cared  
About me

And what do you mean that I can't go?  
Where does it say that I'm a fool?  
Doesn't she know that I'm an exception

To the rule?

And what do you mean that I can't go? (What do you mean I can't go?)

Where does it say that I'm a fool? (You take me for a fool)

Doesn't she know that I'm an exception

To the rule?
