Hold me like a mother would
Like I always knew somebody should
though tomorrow don't look that good
Well, it just goes to show

Though people say we're an unlikely couple
I'm seeing double of you

Oh.

This is life
This is life
And everything's all right
Living living living living living living living living life

Oh
I'm hoping though
because I'm learning to cope
with the emotion-less mediocrity
Oh.

Day-to-day living

Oh
I can't help being restless
When everything's so tasteless

And all the colors seem to have faded away.

Oh.
This is life
This is life
And everything's all right
Living living living living living living living living life

Hold me like a mother would
Like I always knew somebody should, yeah.
though tomorrow don't look that good
Well, just goes to show
Though people say we're an unlikely couple
Doris Day, and Mott the Hoople

Ohhh,..

Ahh...

Life!
