In my heart of hearts I know it well  
Been giving myself the soft sell  
Anyone can see that i've been running away  
Not facing the day that's here

It's time to man up  
I'm man enough  
It's time to man up  
I'm man enough  
I'm man enough for you  
It's time to man up

The phone is off, the blinds are down  
Me and my heart are out of town  
The sign is hammered up  
Do not disturb  
Don't say another word to me

It's time to man up  
I'm man enough  
I'm man enough for you  
It's time to man up  
I'm man enough  
I'm man enough for you  
It's time to man up

In my heart of hearts I know it well  
I hit the ground hard when I fell  
Not licking wounds but more like sewing them up  
Man it was rough for me

But it's time to man up  
I'm man enough  
I'm man enough for you  
It's time to man up  
I'm man enough  
I'm man enough for you  
It's time to man up
