"Old Shit / New Shit"

Visit "[Old Shit / New Shit](#)" on MotoLyrics.com

Everyone loves you
Nobody cares
An awful collection
Of enemies and friends
Congratulations to you
With sad regrets
I'm tired of the old shit
Let the new shit begin

The psychic pain
Of living in this world
Is overwhelming me
Again and again
A beautiful afternoon

Inside you in your bed
I'm tired of the old shit
Let the new shit begin

Nobody loves you
Everyone cares
None of them know what's
Coming 'round the bend
Congratulations to me
Many happy returns
I'm tired of the old shit
Let the new shit begin
