Today is a lovely day to run
Start up the car with the sun
Packing blankets and dirty sheets
A roomful of dust and a broom to sweep up
All the troubles you and i have seen

Cross when the drawbridge light is green
Don't look back to that messed-up scene

Packing blankets and dirty sheets
A roomful of dust and a broom to sweep up
All the troubles you and i have seen
And all our troubles will be gone
Blowing out over that bridge
Floating up into the sky
Making the storm clouds cry

Put out that smoke and breathe some air
Get a new name and cut your hair

Packing blankets and dirty sheets
A roomful of dust and a broom to sweep up
All the troubles you and i have seen
