Oh man... feelin' so nice.  
That was a long cold night,  
But then the sun cam out to thaw the ice.

Open the window man and smell the Peach Blossom,  
The Tiger Lily, the Marigold.

Oh look at her... she's got something to say,  
And I cant wait to hear it.  
Won't let her get away.

Open the window man and smell the Peach Blossom,  
The Tiger Lily, the Marigold.

Oh yeah... oh my goodness!  
You gonna love what's happening here,  
There ain't nothing for me to fear.

Open the window man and smell the Peach Blossom,  
The Tiger Lily, the Marigold.  
Open the window man and smell the Peach Blossom,  
The Tiger Lily, the Marigold.

Open the window man and smell the Peach Blossom,  
The Tiger Lily, the Marigold.
