Well if you need me  
I'm right here  
No matter what  
I'm always near  
Yeah I've been through a lot and you can't scare me  
We'll go on baby if you just dare me  
I'll break through any wall  
Just give me a call

I'm a dine-at-nighter  
I'm a prizefighter

Well if you get sad  
I'm your friend  
I've got an ear  
I'll always lend  
You know that you can always talk to me  
Now come on baby take a walk with me  
Tell me all, Tell buddy all  
Just give me call

I'm a go-all-nighter  
I'm a prizefighter

Well when you're down  
And all alone  
There's always somewhere you can go  
Here I am, a true friend  
There's nothing gonna change over here on my end  
Don't be scared, It's better shared  
You know I always cared

I'm an every-thing's-all-righter  
I'm a prizefighter

Well if you need me  
I'm right here  
No matter what  
I'm always near  
Well I've been through a lot and you can't scare me  
We'll go on baby if you just dare me  
I'll win your heart, now let it start.

Let it start

I'm a don't-do-it-wrong-do-it-righter  
I'm a prizefighter
