"Royal Pain"

Visit "[Royal Pain](#)" on MotoLyrics.com

I got some sleep and I needed it
Not a lot just a little bit
Someone's always trying to keep me from it

It's a crying shame
It's a royal pain in the neck
I'm just trying to get by
With my pride a little bit intact

Ask me any question and I'll level with you
(I'm with you)
I didn't ask for anything but being with you
That's the only thing I was born to do

And they're all insane
Such a royal pain in the neck
I'm just trying to get by
With my pride a little bit intact

Another day is put to the test
Lord knows I'm doing my best
(Do your best)
Never a brother, always a guest

It's a crying shame
It's a royal pain in the neck
I'm just trying to get by
With my pride a little bit intact

And they're all insane
Such a royal pain in the neck
I'm just trying to get by
With my pride just a little bit intact
