Mother couldn't love me  
But that didn't stop me  
From liking her  
She was my mom  
And i was no son of a bitch

Daddy was a drunk  
A most unpleasant man  
Asleep on the floor  
Just inside the front door  
With a smile underneath his red nose  
The wrong look his way  
Well that could really wreck his day  
And believe me when i say  
It would wreck your day too

Grandma took me in  
Though times were pretty thin  
Said i was no son of a bitch

Down on my knees  
Begging god please
