Why dont you  
Get me  
A way out of here  
Buy me a ticket  
A seat in the rear

Cause I'd say the daylight  
Its time to go home

Every day  
Voice in my ear  
Telling me  
'Get out of here'

I think that you know  
Its not so bad  
Sitting in rust and taking a bath

But I think that I could  
Find a new way

Every day

Voice in my ear  
Telling me  
'Get out of here'

Why dont you just think  
About it a while  
Maybe i'm too much  
Cramping your style

But now that it's daylight  
It's time to go home

Every day  
Voice in my ear  
Telling me  
'Get out of here'
