See this watch she gave me  
Well it still ticks away  
The days I'm claiming back for me

Du du du, du, du, du, du du, du, du du

The medication is wearin' off  
Gonna hurt not a little, a lot  
Keep on tickin' you're not lickin' me

Du du du, du, du, du, du du, du, du du  
Du du du, du, du, du, du du, du, du du

Step on a crack, break your mother's heart  
Red light, green light, black  
Suicide e-mail do not delete  
Plug it back in the jack  
Start to be, what they want you to be  
And you see yourself as they see you

Sunrise on the corner of  
Sunset and Alvarado I think  
What the hell do I do now?

Watch the day disintegrate  
So I can stay up late and wait

See this watch she gave me  
Well it still ticks away  
Du du du, du, du, du, du du, du, du du
