and i aim to please to be her only man

cos you cheer me up when i'm feeling lonely

your in my heart, you always have a special place baby

this feeling is real, i get such a thrill

when i'm by your side, you don't know how amazing i

feel

in your eyes, the light shines bright

we can be holding hands in the middle of the night

Krazy:  
she's the one, the one for me  
she's the kinda girl, makes you feel nice so  
try my best to do what's right, take her for a ride  
everythings fine

Joanna, i love you  
(yes i love you)  
your the one, the one for me  
(i do, i do)

Plat'Num B:  
searched so far and searched so lonely  
find someone that i can count on  
now i feel that i got it right here  
and i found it in you baby, i found it in you dear

Freek:  
we can do the night so nice  
everything's gonna be alright  
and i promise you can take it from me  
take it home, put it in a jar and seal it baby

Strider:  
cos i feel its a destiny, the time we share together  
the way you make me smile, the way we laugh together  
lets be more than just friends  
keep the spark so the loving never ends  
it's just the things you do (uh hu)  
no-one else compares to you (yeah, yeah, yeah)  
your the one, the one for me  
Joanna, i do

Krazy:  
she's the one, the one for me  
she's the kinda girl, makes you feel nice so  
try my best to do what's right, take her for a ride  
everythings fine

(you know i love you girl)

(it's all about you)

Chorus: Krazy:  
Joanna, i love you  
(yes i love you)  
your the one, the one for me  
(i do, i do)  
my baby

Joanna, i love you  
(yes i love you)  
your the one, the one for me  
(i do, i do)  
my baby

Joanna, i love you  
your the one, the one for me  
my baby
