Blazin Squad - Over Me

Chorus:

That's why she's over me,  
I was down on my love,  
And could not see,  
That's why, that's why,  
Shes over me,  
And i try and i try and i try,  
But i still couldnt say bye bye

Baby girl listen times have changed  
You admired my fame  
Proud of your boys name  
When we first met  
Now it's like a world of regret  
So il be sleepin in the bed  
AND creepin when she aint there  
All day baby screams and fights  
You should ignore the hype  
Around your boyfriends life  
YO, our plane just be leaving tonight  
So when you roll in late  
You wont see me in sight

YO I CNT BELEIVE I never knew how much i missing you  
For the last time i got caught a slipping  
Now i found myself in this position  
Im seein you kissin next men  
And trippin  
Cos it's the end  
Cant pretend  
How could i stand blind for so long  
And not see my boo would soon be so gone  
Who else but myself could i blame  
Im so wrong  
Im messed up, she left me depressed  
And moved on

Chorus:

That's why she's over me,

I was down on my love,  
And could not see,  
That's why, that's why,  
Shes over me,  
And i try and i try and i try,  
But i still couldnt say bye bye

I thought i was over this chick  
But guess i was wrong  
Want her back now  
But it's too late  
Because she's gone  
I lost track how many times  
I did her wrong  
And she's the one i been rapping about  
In them love songs  
AND UH, I been missing you baby  
Lately it's been crazy  
It hurt when you blamed me  
Still i appreciate everything that you gave me  
And i appreciate everything that you made me feel  
What we had was real  
So what's the deal  
We can chill  
And discuss it  
Feel it when i bust it  
Believe me i trust it'l work out  
For the best, it hurts  
When your vex and worse gettin me stressed  
So help me figure out  
Why we aint still going out  
And baby tell me why the tears keep flowing out  
Why this flame keeps blowing out  
YO it's over  
I told ya

Chorus:  
That's why she's over me,  
I was down on my love,  
And could not see,  
That's why, that's why,  
Shes over me,  
And i try and i try and i try,  
But i still couldnt say bye bye

That's why she's over me,  
I was down on my love,  
And could not see,  
That's why, that's why,  
Shes over me,  
And i try and i try and i try,

But i still couldnt say bye bye
