Rocky
Yo,
Baby girl, are u missin me,
Cos im still missin u
All
Im just calling to say that im really really missing you
girl
Still wanna be part of your world
I gotta let you know
That I can't let go
Its kinda lonely baby
Flava
I think I need you more then life itself
But I aint about to put down the mike for a girl
Im feeling your pain
I still just the same
Just one difference
Im flava u still love James
Pick up the phone
Coz I know you wanna speak
Its been a week
I aint a creep
Fulfilled your needs and fantasies
Just like the old times
Remember the old rhymes
On the cold streets we first meet
Seemed so right
All
And it don't matter what your friends may say
Coz I still think about you everyday
And I just wanna get close to you
Tell me what I gotta do girl
Im just calling to say that im really really missing you
girl
Still wanna be part of your world
I gotta let you know
That I can't let go
Its kinda lonely baby
I wanted to say im still thinking about you everyday
I wanna see your pretty smile again
I gotta let you know

Still thinking bout you no I can't let go
Spike-e
Ive got something to say
Times we chilled together held each other slipping
away
And now I feel that I can't hold another
Missing each day now there's no one here to run to
cover
Missing you babe now I feel I never find another lover
Missing your ways and every day is the same
It rains sitting here lonely feeling rage and pain
But if you come back soon babe
Times don't change
Ill always be here and here I'll stay
And it don't matter what your friends may say
Coz I still think about you everyday
And I just wanna get close to you
Tell me what I gotta do girl
All
Im just calling to say that im really really missing you
girl
Still wanna be part of your world
I gotta let you know
That I can't let go
Its kinda lonely baby
I wanted to say im still thinking about you everyday
I wanna see your pretty smile again
I gotta let you know
Still thinking bout you no I can't let go
Krazy
There's only one thing ive got to say
That is that I'll miss you every day
We were made for each other
I know I was wrong im still thinking about ya
I want to know what I did wrong
All I know is a got to stay strong
I need you I want you I need you to hold
Baby wont u come back home
All
Im just calling to say that im really really missing you
girl
Still wanna be part of your world
I gotta let you know
That I can't let go
Its kinda lonely baby
I wanted to say im still thinking about you everyday
I wanna see your pretty smile again
I gotta let you know
Still thinking bout you no I can't let go
Im just calling to say that im really really missing you
girl

Still wanna be part of your world
I gotta let you know
That I can't let go
Its kinda lonely baby
I wanted to say im still thinking about you everyday
I wanna see your pretty smile again
I gotta let you know
Still thinking bout you no I can't let go
