Preparing for an onslaught A kill to calibrate Everything's scrutinized Cause if not... Downfall of reputation starts

A failed attempt to be serene
Suggestive motion
Captures me
The unnatentive left dumbfounded...

I observe, mute as possible I go... I'm unnoticed by the whole... Pretty little thing Thinks she can outwit my intellect

I have made... 100 steps When she has plotted only one.

You shall become nothing but sludge. How low can you go? feeding on people's blood.
