"Walls Of Innocence"

Visit "[Walls Of Innocence](#)" on [MotoLyrics.com](#)

Chipping away the unity

For something we cannot foresee

An eye for and eye

A tooth for a tooth

Til all that's left is the fucking truth

Chorus-
Behind the walls of innocence

Echoes the lies they hold within

We're losing even if we win

Wipe it away to start again

The tragedy of your deceit

Is broken fate in our beliefs

The veil has dropped that blinded me

If there's no choice are we really free

Chorus

Start Again
