Your magic white rabbit  
Has left it's writing on the wall  
We follow like Alice  
And just keep diving down the hole

You can't fix your broken promise  
Our ties have come undone  
I will not be used to be battered and abused  
It's the reason why I choose to cut my losses  
Your lies fool no one  
Your magic white rabbit  
Your white room straight jacket

Your magic white rabbit  
Has left it's writing on the wall  
We follow like Alice  
And just keep diving down the hole  
We're falling and we're losing control  
Your pulling us and dragging us down this dead end  
road  
We follow like Alice  
And just keep diving down the hole

You can't offer your poison to me  
In your kingdom of filth  
White Rabbit  
Straight jacket

Your magic white rabbit  
Has left it's writing on the wall  
We follow like Alice  
And just keep diving down the hole  
We're falling and we're losing control  
Your pulling us and dragging us down this dead end  
road  
We follow like Alice  
And just keep diving down the hole

I won't be pushed aside  
I will be heard  
I will get what I want

What I deserve

I won't be pushed aside  
I will be heard  
I will get what I want  
What I deserve

We're falling and we're losing control  
Your pulling us and dragging us down this dead end  
road

Your magic white rabbit  
Has left it's writing on the wall  
We follow like Alice  
And just keep diving down the hole  
We're falling and we're losing control  
Your pulling us and dragging us down this dead end  
road

Your magic white rabbit  
Has left it's writing on the wall  
We follow like Alice  
And just keep diving down the hole  
Diving down the hole
