Your magic white rabbit
Has left it's writing on the wall
We follow like Alice
And just keep diving down the hole

You can't face your broken promise
Our ties have come undone
I will not be used to be battered and abused
It's the reason why I choose to cut my losses
Your lies fool no one
Your magic white rabbit
Your white room straight jacket

Your magic white rabbit
Has left it's writing on the wall
We follow like Alice
And just keep diving down the hole
We're falling and we're losing control
Your pulling us and dragging us down this dead end
road
We follow like Alice
And just keep diving down the hole

You can't offer your poison to me
In your kingdom of filth
White Rabbit
Straight jacket

Your magic white rabbit
Has left it's writing on the wall
We follow like Alice
And just keep diving down the hole

We're falling and we're losing control
Your pulling us and dragging us down this dead end
road
We follow like Alice
And just keep diving down the hole

I won't be pushed aside
I will be heard
I will get what I want

What I deserve

I won't be pushed aside
I will be heard
I will get what I want
What I deserve

We're falling and we're losing control
Your pulling us and dragging us down this dead end
road

Your magic white rabbit
Has left it's writing on the wall
We follow like Alice
And just keep diving down the hole
We're falling and we're losing control
Your pulling us and dragging us down this dead end
road
We follow like Alice
And just keep diving down the hole

Your magic white rabbit
Has left it's writing on the wall
We follow like Alice
And just keep diving down the hole
Diving down the hole
