### "All Night Long"

Don't stop 'till we hit it up  
We make the drop  
Tonight we gonna turn it up  
Woah  
We gon' been doing it all night long  
Gon' be getting this party on

Im like a diamond in the dirt waitin to be cleaned up  
We in the club just sippin and tearin the scene up  
Chicks dippin, we be sippin no need for the mean mugs  
Sweatin like we skinny dippin, and spendin the cream  
up  
Checkin moves like the 2 step  
That's how we do it  
Let me show you how my crew rep  
Gimme your digits we gon' kick it today  
& I'm gon' rock it till the mornin girl what can I say

I came here to party  
It don't matter what the weather  
We still blaze it up because nobody does it better  
We hit parties all across the world  
Still rockin, still lovin them girls  
Come on baby let me see you shake your money maker  
Do it fast, do it slow, pop it like ya meant to  
You wanna grind just gimme a sign  
I'll be right here waitin baby  
That's the line

*[Chorus:]*

Don't stop 'till we hit it up  
We make the drop  
Tonight we gonna turn it up  
Woah  
We gon' been doing it all night long  
Gon' be getting this party on  
DJ keep spinnin it once  
Makin it hot  
So keep on spinnin it once  
Holla

We gon' been doing it all night long  
Gon' be getting this party on

You know the kid be  
High like a frizzbee  
Gone nowhere so don't act like I'm history  
Love the mic, step aside  
When I'm ?  
We can ride all night and get that whip misty  
Yep, see where the chicks be  
Wid the flow that be hot, still blingin on that blinky  
Wont end til im low in the benz  
Rollin round with my peeps  
With a wallet full of fifties

I came here to party  
It don't matter what the weather  
We still blaze it up because nobody does it better  
We hit parties all across the world  
Still rockin, still lovin them girls  
Come on baby let me see you shake your money maker  
Do it fast, do it slow, pop it like ya meant to  
You wanna grind just gimme a sign  
I'll be right here waitin baby  
That's the line

*[Chorus:]*

Don't stop 'till we hit it up  
We make the drop  
Tonight we gonna turn it up  
Woah  
We gon' been doing it all night long  
Gon' be getting this party on  
DJ keep spinnin it once  
Makin it hot  
So keep on spinnin it once  
Holla  
We gon' been doing it all night long  
Gon' be getting this party on

Don't you give it up  
(I said; Give it up, I said; Give it up)  
Don't you give it up  
(Give it up)  
Tonight we gon' party

*[Chorus:]*

Don't stop 'till we hit it up  
We make the drop  
Tonight we gonna turn it up  
Woah

We gon' been doing it all night long  
Gon' be getting this party on  
DJ keep spinnin it once  
Makin it hot  
So keep on spinnin it once  
Holla  
We gon' been doing it all night long  
Gon' be getting this party on
