(Intro)

(KENZIE)

Welcome, Will, to dis world....

(SPIKE-E)

Yo, yo, uh-huh, yeah, batty, batty boy...

(ROCKY B)

A rocket an' a socket an' a HIT IT!

(WILL)

Hey hey hey, lads

Let's get it on

We're going to explore

A part you've not seen before

It's in between your legs

And it rises up and down

I'm gonna teach you today...

(CHORUS - BLAZIN' SQUAD)

Close it, close it,

Up my hole and out you,

Close it, close it,

Workin' with a batty boy tonight

Yee-ha!

(WILL)

I'm gonna show you what to do again

With my magic glove

The only problem with us

We don't have stuff above (coughs)

So touch me, I'm batty, touch me,

I'm batty...

(CHORUS)

Well well well

(repeat x 9)

(ALL)

I've really enjoyed tonight

Work wit' me again
