(DAVID)

Overdressed, overstyled  
Fallen dreams, she drives you wild  
Don't you want a chance?  
Recovery of hastened fate  
As you abandon your date  
Don't you want a chance?

(BLAZIN' SQUAD)

Fuck her, fuck her,  
I'll smack her fucked to the bathroom floor  
Fuck her, fuck her,  
I'll give her what and out the door

(CHORUS)

David -  
Why why why, what's wrong with you?  
Kenzie -  
Butters face and hips, wasted lips, an' everyfing I do...  
David -  
You fell for her, fell for her, now you're falling  
Krazy -  
Well kick my bass I'll ruck ya face till it's over calling

(DAVID)

Don't break her heart, she's not so bad at all  
You may forget her charm, but she's done you no harm  
Don't, don't let her go...  
She's a babe, she's a bitch, and I want her  
Gotta hitch, mistakes are easily too far  
Don't, don't let her go...

(BLAZIN' SQUAD)

Screw you, screw you  
Bugged and bothered I'll see ya thru  
Screw you, screw you  
Rape her off, she's welcome to you

(CHORUS)

(ALL)

It's a crying game, a crying shame, a cry in fame

A crying game, a crying shame, a cry in fame  
(repeat)
