*[Chorus]*

Reminiscing about the time,  
back in the day when you  
were mine, wish that i could  
press rewind, reminisce  
about the time.

*[Rocky B]*

Chillin wit my clic on da beach,  
remember when you walked by, eye locked on ya  
cheeks  
you just smile, i ran for a few  
yards and finally caught up  
with, the opening line, wha  
gwan love, spent a day just  
chillin and talking, playing and  
walking, you and me for two  
weeks, just striaght falling in  
love we had fights in the sand,  
kissed in the sea, passionate  
nights, on the beach you and  
me, rubbing my hands up ya  
smooth brown legs, kissing  
ya body, from ya toes to ya  
head, the memories that i  
wanted to always last, not  
the future the present, was stuck in the past, the best  
thing, you didn't know i was  
a star, spending late nights  
chillingout at the bar, the last  
day we had spent kissing,  
talking bout missing, and now  
i'm reminiscing, bout you.

*[Repeat chorus x2]*

*[Flava]*

I wish i could reminisce, but  
it's just a mist of memories, ny  
thoughts are deep, engraves  
like headstones in cemeteries,  
i never dwell in the past, the

pain is too much, i keep my  
head in the future, even plan  
my lunch, but this one click  
maybe remember bout, how  
we used to do those things  
yo can mention that, hold up

rewind, to the times when we  
loved it woz unusual how did  
i just find this, woz it just luck,  
or woz it just me, or woz i just  
down for the, a crazy night  
involved us 20 girls in the back of a truck, 'theback of a  
what?'

yeah i said the back  
of a truck parked on the beach  
blocking off the back of the  
hut, where we chilled coz back  
in the day, we never did much,  
made love i never done any  
thing of the sort, it's just such a  
shame how we can't we're  
underage, that woz then now  
i made it to 16 wid my nine  
best friends, now i'm.

*[Repeat chorus x2]*

*[Krazy]*

Got me thinking about ya,  
every single day of the week,  
what i would do just to have  
ya, back here with me,  
girl you're my fantasy.

*[Melo-d]*

I sit down think back to days  
we were alone we were so  
warm together missing the  
days when we had fun,  
but we lost each other now  
it's too late, memories of  
what's been and gone,  
they'll always be in my mind,  
i reminisce things that we've  
done, i can't give up my love  
for you was so true, i can't  
stop thinging about ya  
dreaming, i don't know waht  
to do, i reminisce days when  
you looked so fine, come

back into my arms into my  
life coz you should be mine.

*[Repeat chorus x4 to fade]*
